## **Full timetable**

### **10-11.30: Film score workshop - The Lion King**

Join Heather for this mixed ability workshop where using the film score we will learn the tune of The Lion King. The workshop will be taught by ear with all parts given out at the end including a solo and group arrangement.

### **12-12.30: Electric harps - listen and try**

Heather and Tsveti will introduce you to the Camac electric harps with each demonstrating a different technique. Tsveti will introduce the loop pedal while Heather will be using the electric harp with a computer. At the end there will be the opportunity for participants to try the Camac electric harps.

### **13.30-15.00: Let's Get Some Blues! workshop**

In the afternoon Tsveti will be exploring the Blues in a mixed ability workshop. In just one afternoon you will learn to play blues on the harp! You will be introduced to all the basics of the style, learn the structure of 12 bar blues, rhythms used in blues as well as lever slides and by the end of the session you will even know how to improvise over blues!

### **13.30-15.00: Try the harp**

Always wanted to play the harp? Drop in for this informal session with Heather to have a go at playing the harp and ask any questions.

### **15.30-16.15: Informal concert**

Invite your friends and family along to an informal concert showcasing what has been learnt during the day. We're also delighted to have the Mòd winning harp orchestra Harp Bazaar performing a set hot off the back of their Scottish tour!

Venue address: Kingsknowe Golf Club, 326 Lanark Road, Edinburgh,  
EH14 2JD
