

CAMAC HARPS
TELYNAU VINING WALES·CYMRU

Finding your voice with
Amanda Whiting

Sunday 10 November 2024

Rudry Parish Hall, Rudry, Caerphilly, CF83 3DF

11am - 4pm

£40

Open to lever and pedal harpists
of all standards aged 18 and under

A day to come along and just enjoy yourself.

We will be throwing away the music and learning ways of finding our own sound, our voice.

Throughout the day we will look at every part of how we interact with our beautiful instruments; from warm ups and stretches, to how we practise and make music. Are you a harpist who wants to play by ear? Or a harpist who wants to just make things up? Have you explored the sounds that you can create?

The day will consist of:

- warm ups
- getting to know your instrument
- doorways into soundscapes
- looking at grooves and rhythm
- making up a piece
- finding your own unique sound

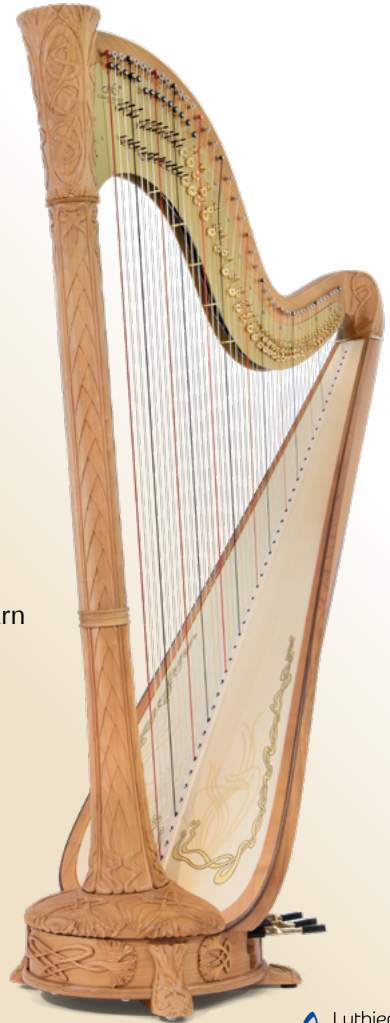

These are all skills needed which will enhance your classical studies.

It is hands on and all that is required is a willingness to have a go. Please bring your own harp.

We would like to encourage harp teachers to come along for free to watch the workshops. It can often be daunting to teach musical styles we're not familiar with so why not join us to learn some helpful tips. Please contact us to register your place.

£40 Open to lever and pedal harpists of all standards aged 18 and under

If you have any queries then please e-mail info@camacharps.co.uk or download the booking form at www.camacharps.co.uk
