The Bardic, travel companion

This popular family of lever harps is not only intended for beginners, but also for amateurs – and for travelling harpists, who will find the Bardic a lightweight harp, ideal to transport. Available with 22 or 27 nylon strings, standard spacing, a rich and powerful sound and our outstanding metal levers, the Bardic harps can be played either set directly on the floor, or raised on their detachable legs. A backpack-style cover is also available. In addition to their fine acoustic qualities, the Bardic harps are priced to make them as affordable to as many as possible. Once you have one in your hand, you will not be able to put it down: it will enchant your ears, delight your eyes and accompany you on your travels...
